

Privacy Policy

T6 Wireless Inc. is committed to protecting your privacy. Please read this privacy policy statement carefully so that you understand what kind of information we may gather about you, how we may use that information, whether we may disclose it to anyone, and the choices you have regarding our use of the information and your ability to correct the information. We will not trade, sell, or disclose to any third party any form of personally identifiable information without your consent, including information derived from registration, subscription, and use of the T6 Wireless Inc. service, except as stated below. This policy applies only to T6 Wireless Inc., dba T6 Broadband and not to other companies' or organizations' Web sites to which we link.

The Information We Collect

The information T6 Wireless Inc. gathers generally falls into three categories: (1) personal, business, and demographic information you supply that we use primarily for evaluating applicants and conducting market research; (2) information you supply when you register or initiate transactions; and (3) tracking information gathered as you navigate online. Some of this information identifies a particular person, but much of it does not. Third-party providers, whose sites are featured on and accessed via our site, may gather information as well. When you interact with T6 Wireless Inc., when applying for Service, for example, we may request some or all of the following information:

1. Contact information (e.g., name, address, telephone number, and e-mail address)
2. Credit card, debit card or check card and T6 Wireless Inc. account number
3. Driver's license
4. Company name (for corporate accounts)
5. Household characteristics (e.g., number of children and number of Internet users)
6. Technology employed (e.g., type of Internet access and specifications for your computer)

Why We Collect This Information

We need this information to process your application or service order and to conduct market research. If we have trouble processing your application or order, we use the contact information you provide to get in touch with you. We also use your contact information to provide you with T6 Wireless Inc. updates or to assist you with your wireless broadband service and to inform you of new products or services that may be of interest to you.

Information Collected by Third Parties

Our site includes links to other web sites, and provides access to products and services offered by third parties, whose privacy policies we don't control. When you access another web site or purchase products or services or conduct other transactions through a Web site linked to our web site, use of any information you provide is governed by the privacy policy of the operator of the site you're visiting or the provider of such products or services. The provider's privacy practices may differ from ours. Please be aware that these third-party sites may also use their own cookies, web beacons or third-party software or "spyware", for which we are not responsible.

Disclosure of Information

We consider the personal information contained in our business records to be confidential. T6 Wireless Inc. will not read, listen to or disclose to any third parties private e-mail, conversations, or other communications, except as described here, that are transmitted using our services. We may sometimes disclose information about you to our business partners or to others who work for us. We may access and/ or disclose your personal information if required to do so by law or in the good faith belief that such action is necessary to: (a) conform to the edicts of the law or comply with legal process served on T6 Wireless Inc.; (b) protect and defend the rights or property of T6 Wireless Inc. including, without limitation the security and integrity of our network; or (c) act under exigent circumstances to protect the personal safety of users of our services or members of the public. As our business grows, we may buy or sell various assets. In the unlikely event that T6 Wireless Inc., one of its business units, or substantially all of its

assets are acquired by another company, information about our visitors would be among the transferred assets.

Security

T6 Wireless Inc. is committed to protecting the security of your personal information. We use a variety of security technologies and procedures to help protect your personal information from unauthorized access, use or disclosure. For example, we store the personal information you provide on computer systems with limited access, which are located in controlled facilities. When we transmit highly confidential information (such as a credit card number) over the Internet, we protect it through the use of encryption, such as the Secure Socket Layer (SSL) protocol. As effective as modern security practices are, no physical or electronic security system is impenetrable. We cannot guarantee the complete security of our database, nor can we guarantee that information you supply won't be intercepted while being transmitted to us over the Internet. We have implemented strict internal guidelines to ensure that your privacy is safeguarded at every level of our organization. T6 Wireless Inc. will continue to revise policies and implement additional security features as new technologies become available.

T6 Wireless Inc. Spam Policy

T6 Wireless Inc. will deal with Spam complaints seriously and will close spammer's customer accounts. We may use customer information to investigate and prevent potentially unlawful activity that threatens the service or network integrity or otherwise violates the service agreement.

What Is Spam?

Spam is email that is sent against the wishes of the recipient. There are two kinds. The first kind of spam concerns individuals who email people that they don't know personally. The second type of spam is sent by organizations to individuals who have not expressed a desire to receive such communications. Both kinds of spam are inappropriate.

Enforcement of this Privacy Statement

If you have questions regarding this statement, you should contact T6 Wireless Inc.

Privacy Policy Changes

If we decide to change our privacy policy, we will post those changes here so that you will always know what information we gather, how we might use that information and whether we will disclose it to anyone. By continuing to use T6 Wireless Inc. after we post any changes, you accept and agree to this privacy statement, as modified. Of course, our use of information gathered while the current privacy statement is in effect will be consistent with the current statement, even if we change that statement later.
