Cool Gadget

'The Flip' Video Camcorder

The Flip Video Camcorder is the ultimate in video recording convenience! The Flip Video's 1GB of storage space can capture up to one hour of video that can be transferred to the computer via the **built-in USB connector.** This palm-sized, high-quality video recorder also comes with all the editing software pre-loaded on the camcorder itself. This makes for easy uploading to e-mail or websites. It's available in assorted colors.
